Release to Rent-Transitional Housing Program

Requirements:

- All Candidates must be incarcerated at the time of referral. Referrals must be sent to CJM from IPOs, case workers, or other prison staff, who serve as the referral source for the inmate.
- **Current period** of incarceration must be 10 years or more.
- Male
- Must be released under supervision with Probation & Parole (no completed sentences or 12/12—this is a firm requirement).
- Medical and mental health scores of M1/MH1 or M2/MH2
- Must have no parole violation on current sentence and no significant history of multiple parole/probation violations.
- If a sex-offender, must have completed MOSOP (we have limited availability of sex-offender units).
- Must not have other approved home plans or pending home plans outside of Missouri
- Must have no outstanding warrants or pending cases.
- Must show good institutional adjustment, including participation in programming (ICVC, Anger Mgmt., etc.) and employment while incarcerated.
- Few to no conduct violations in the last 3 years
- Does not receive SSI/SSDI, and is not planning to apply for such income.
- Must have a Board-approved release date within 6 months. Referrals closer to the date of release are preferred.

You do not meet criteria if:

- You have been released from incarceration
- You are submitting out of state home plans or have been approved for in-state home plan.
- You have applied, appealed, or plan to apply for SSI or disability income upon release.
- You have a medical or mental health score of M3/MH3 or higher.
- You will have mental health parole stipulations.
- You have not had a parole hearing.
- You have a history of multiple parole/probation violations.
- You have been incarcerated for a period shorter than 10 years.
