

# Increase our Impact. Lower your taxes.

## CJM HAS NAP TAX CREDITS FOR YOU

Eligible donors can give CJM the full benefit of their generous donation while reducing their state tax liability.

## HOW IT WORKS

The Neighborhood Assistance Program (NAP) allows Missouri taxpayers to determine where their state tax dollars will be utilized by donating to charitable organizations.

Eligible donors receive a tax credit equaling 50% of your gift to CJM. This credit combines with your charitable income tax deduction to lower the actual net cost of your gift to cents on the dollar.
